Dear Mr. Keel:

Proposed Burin Annexation  
to the City of Hawthorne

At the meeting held July 31, 1963, the County Boundary Commission reviewed the map and legal description submitted by Mr. P. N. Scott, Director of Public Works, with his letter filed July 22 for the proposed annexation of territory to the City of Hawthorne.

The boundaries submitted conform with record lines and lines of ownership. No corridor or island of unincorporated territory is created by the boundaries.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. With these recommendations the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a copy of the special districts involved are enclosed.

Very truly yours,

GORDON T. NESVIG
